Our  
Lakes**

***A Warm Welcome to our  
Qu'Appelle Valley***

*We*

# Love Our Lakes

## **To our visitors**

*Thank you for visiting our Valley. We hope you are enjoying your stay whether you're camping, taking in a festival, a powwow, going for a hike or spending time on our lakes.*

*While you're visiting we ask that you keep the health of our land and water in mind.*

## **How can you help us Love our Lakes**

- *Keep our shorelines free of garbage – please don't litter. Remember re-usable grocery bags when shopping.*
- *Please clean your boat to ensure there are no invasive species attached such as Zebra mussels, which have no natural predators in this region.*
- *When purchasing a boat motor, choose a 4-cycle, which is more efficient and pollutes less than a 2-cycle.*
- *Go slow near the shore. Keep waves to a minimum to reduce shoreline erosion.*
- *Use non-lead sinkers if you're fishing.*
- *When you're done at the lake, consider using a phosphate-free shampoo when you shower. Sulfates can be toxic to aquatic life.*
